RE: Arthur E. Reichle

Dear Mr. Leake;

Enclosed you will find a copy of a letter written to Mosby Irrigation Company dated February 18, 1988 written by Mr. Reichle.

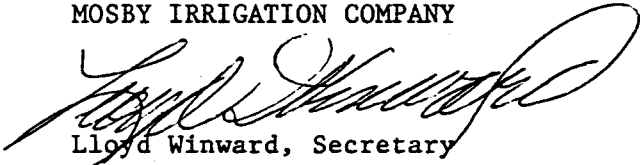

The content of this letter was discussed in the Annual Meeting of the Mosby Irrigation Company held February 24, 1988. The stockholders authorized me to write a letter asking for your assistance in resolving the matter concerning the delivery of Mr. Reichle's water to his property for beneficial use, as part of your administrative duties as Water Commissioner.

For your information Mr. Reichle is a stockholder in Mosby Irrigation Company holding a certificate for fifty shares of water. Mosby Irrigation Company is delivering water to the point of diversion but as the letter indicates Mr. Reichle is having difficulty getting his water from the point of diversion to his property.

Whatever assistance you may render in helping resolve this matter will be sincerely appreciated.

Yours very truly,

MOSBY IRRIGATION COMPANY
